

Lighthouse FILM is on the way!

The **Lighthouse film** (www.lighthouse-project.eu) will be soon on the **Platform**. Lighthouse film is a pedagogical tool to give visibility and engage the VET community and other players working with migrants as well as motivate the end-user (professionals) and beneficiaries (migrants) for the innovativeness and value of the LIGHTHOUSE MODEL and tools – LIGHTHOUSE GUIDEBOOK and TOOLBOX.

The LIGHTHOUSE DIDACTIC FILM will guide the audiences through the different zones of the LIGHTHOUSE, using comprehensive graphics and animations, displaying pedagogic key messages and testimonials from professionals and learners.

Lighthouse NATIONAL PILOTS were organised in partners' country.

The pilots that took place implied a capacity building for the staff of those organizations involved in the pilots, the identification and registration of the participant migrants, the implementation of the Lighthouse methodology, and the assessment of the process among all participants. Their purpose was to present and test all tools and concepts develop within the different programs steps. You have here some pictures of the different workshops that took place. Looking for more information about the different project outputs, do not hesitate to go online www.lighthouse-project.eu

ITG After-works sessions in Paris – Multipliers Events

“ITG After-works” were organized to present the Lighthouse Project and outputs. After training sessions, more time was dedicated to one-to-one discussion and group activities. The five-session gave ITG the opportunity to better explain the difficulties encountered by migrants and how Lighthouse can help trainers and trainees.

Lighthouse FINAL CONFERENCE will be in Spain:
