

THE FINAL CONFERENCE OF THE LIGHTHOUSE PROJECT WAS A SUCCESS!

The past 23rd of June was held the **Final Conference of the LIGHTHOUSE project** in Madrid in the Representation of the **European Commission** in Spain.

The Conference was opened by SOLIDARIDAD SIN FRONTERAS NGOD, as coordinator of the project, and by a representative of the European Commission, the General Director of the Spanish National Agency SEPIE and the General Director of Social Services and Social Inclusion of Madrid Region.

The Conference was attended by more than 90 people, representatives of the European Commission, representatives of Social Services and Social Inclusion of Madrid Region, Diplomatic representations as the General Consul of Bolivia, representatives of several Public Administrations and Municipalities, NGOs, Social Associations, Universities, Training Centers, International Organizations, migrant participants beneficiaries of the project and general public.

LIGHTHOUSE project was presented with the intervention of all expert partners in the consortium (from Austria, Cyprus, France, Greece, Norway and Spain), the objectives, products, experiences, results and its sustainability and exploitation.

Two beneficiaries of the project from Ukraine and Venezuela also shared their experiences- testimony with the implementation of the LIGHTHOUSE project.

The final table of interventions was composed by representatives of the Social Services and Social Inclusion of Madrid Region and by a representative of the Guaraní Association. They exposed good practices in European projects in Madrid Region as LIGHTHOUSE project and encouraged social organizations to apply for Erasmus+ funds.

At the end of the Conference, attendants had the opportunity to make questions to national and international guests' speakers and to get more knowledge about the LIGHTHOUSE project, model and tools.

The event also contributed to the exchange of knowledge and experience between participants and to meet new entities with whom future cooperation could be possible.

This project has been funded with the support of the Euro-pean Commission. The infor-mation reflects the views of the authors, and the Commis-sion cannot be held responsi-ble for anyuse which may be made of the information con-tained therein.
